## COVID-19 Protocol: Scoring Procedure

U.S. Kids Golf is enacting new protocols in order to keep events safe for players and families. Please carefully review the following scoring procedures as you prepare for your next tournament.

- ★ Print out the scorecard online at home and bring it to the event. [Click here to download.](#)
- ★ Be sure to bring your own pencil.
- ★ Once on site, write the name of your assigned competitor on the card. You will serve as their marker.
- ★ You will keep score of all players in your group.
- ★ Upon completion of the round, the scoring process will be completed verbally at the designated scoring area.
- ★ All players must agree to every score on every hole.
- ★ You will sign the card as the marker.
- ★ Hand the card to the USKG staff member.
- ★ Staff member will verbally verify totals for each player, sign the card, and place in scoring box.
- ★ Once the staff member places all cards in the box, scoring is final, and players and caddies are asked to head home.
- ★ At this time, we will not conduct traditional awards ceremonies. Results and points will be posted online only, and no written scoreboard will be available onsite. All medals and trophies will be available for you at a later date; please arrange directly with your Local Tour director.
- ★ All ties for first place will be broken via a scorecard playoff. Procedures for breaking ties can be found on our website under Player Info/Playoff Policy.

**Please note:** Your Local Tour Director will have extra blank scorecards on hand at each event for any players that have difficulty printing at home.

HOLE	1	2	3	4	5	6	7	8	9	OUT
Marker										

Competitor: \_\_\_\_\_  
\*Please print name of assigned competitor above.
