RULES/TOURNAMENT HOTLINE

If, during your round, you are in need of a ruling or rules official assistance, please call the tournament hotline at **949-828-GOLF**. Cell phones may ONLY be used by a player or caddie to **1) access tournament information, 2) obtain yardages via GPS, 3) contact the rules hotline, or 4) in emergency situations.** Cell phones may not be used for any other purposes.

Pace of Play Policy

- Your player will get a **2 stroke penalty** added to their last hole of the tournament if they finish more than 19 min behind the group in front. **This will be timed by when you arrive at the scoring table, NOT when you complete the hole.** Please keep checking on your players time par after each hole and walk quickly over to the scoring table once you finish your round.

Lift, Clean, and Place Policy

- TBD

Cart Policy

- All players must walk during the play of each hole. Only Caddies for 9-hole players and spectators may rent a cart for use during play to help shuttle 9-hole players between holes. Spectator carts please be respectful and aware of the group behind. After reaching the tee, players must walk until the completion of the hole. The caddie may leave the bag on the cart or carry it on the course when needed. Caddies for 18-hole players may not use carts unless approved by the tournament director before the start of the round.

Caddie Tips

- Can not deliberately stand behind player when they are attempting to address the ball, 2 stroke penalty
- Caddies should not approach and talk to other players they are not caddying for. Only talk to other caddies if you have a question about the other player.
- Caddies are responsible for making sure the players are in position and knowing when they are out of position regarding pace of play
- Here are some USKG [CADDIE TIPS](#) that I recommend all caddies read before their round!

Dress Code

- Players, caddies, and spectators are expected to dress accordingly to respect the course and the game of golf. No t-shirts, jeans, etc.
- Here is USKG's [Dress Code Policy](#)

Tips for a Better Round

- **Play Ready Golf**
 - ON THE TEE:** whoever is ready tees off, not the honors system
 - ON THE FAIRWAY:** 40 seconds MAX to hit each shot
 - ON THE GREEN:** continuous putting when able
- The last two people in a group to finish should stay on the green, everyone else can head up to the next tee box.
- Prepare for your shot **while** other players are preparing for their shot when possible without being distracting
- Park your golf bag **between** the green and the next teeing ground (never in front of the green!!)

Just a friendly reminder, please be nice to the course staff! It's really hard to find golf courses to host us. It's important to make sure you leave a good impression, so we can be invited back.

I also have a discount code for USKG: USK10265. You can get a discount on [products](#) purchased as well as free shipping to your home. There is a \$400 minimum spent to be able to apply the code.

Looking forward to seeing how low you will go! Feel free to contact me if you have any questions.
