I recommend looking over [US Kids Golf's Players Information Page](#) for more on policies, tips, and resources.

Just a friendly reminder, please be nice to the course staff! It's really hard to find golf courses to host us. It's important to make sure you leave a good impression, so we can be invited back.

I also have a discount code for USKG: USK10265. You can get a discount on products purchased as well as free shipping to your home. There is a \$400 minimum spent to be able to apply the code.
